PAN-HANDLE RAMBLE

Wednesday, April 14 – Tuesday, April 20, 2010

Apalachicola, Florida

Follow in the footsteps of Roger Tory Peterson and Edwin Way Teale, and share their journey to the Gulf coast of Florida. A bio-diversity "hotspot," this region's refuges and reserves harbor a variety of birds, mammals, reptiles, amphibians, and wildflowers. From cypress swamps to sandy beaches, this Natural Heritage program highlights the wonders of this naturally and culturally rich region facing change as the last remnant of "old" Florida.
